Green Mountain Yarn & Fiber News

Oh my goodness... November is almost over and I'm still in September - that's when I started this e-newsletter but since you never received it, I clearly never finished it. And that would all be old news by now anyway so let's begin again ... and if you are actually reading this, I was more successful at finishing this time.

It's Holiday Season - Happy Thanksgiving to you all. This is my favorite holiday of the year when friends and family get together around the most wonderful thing - FOOD! Cooking is probably my second most favorite pastime next to knitting and Thanksgiving is a great opportunity to feed lots of folks at once. This year will be a smaller than usual gathering of 14. I wish you all a Happy Thanksgiving and a day filled with family, friends, food, and fun!

November 28th is also our anniversary - on this date, 7 years ago Mary Jeanne and I opened the door at Green Mountain Fibers. She has since sold her share of the business to George and gone on to open Battenkill Fibers Spinning Mill in Greenwich, NY. To celebrate the holiday and our anniversary, we'll have a weekend sale that I'll call the "Instant Frequent Fiber Club." Actually, it's a spin on the Frequent Fiber Club... Rather than get a stamp on your card, you'll get instant savings. From Friday through Sunday (Nov. 27-29), receive 20% off your purchase instantly (excluding consignment yarns). As a bonus, if you spend \$100 or more, the discount will go to 25% instant savings (also excluding consignment yarns).

Sharpen your pencil and get your knitting list ready... lots of great (new and old) yarn including Juniper Moon worsted and alpaca lace; Malabrigo worsted and sock; Linaza alpaca linen; and of course Noro, Ella Rae, Plymouth, KFI, and lots of luscious local yarns and fiber.

Happy knitting, crocheting, spinning, weaving, felting... and anything else you all can do with fiber!

Kathleen, George, & Louisa
